Lowell Simon (NC House-52), "Gun Safety"

December 26, 2019 in North Carolina

"We need common-sense gun safety:

Protect ownership of weapons designed for hunting and or personal protection

Restrict ownership of weapons with magazine capacities of ten or more, semi-automatic and automatic weapons.

Ban equipment that modifies legal weapons to perform in restricted manners

Raise the minimum age for gun purchases to 21

Universal background checks for all gun transfers with waiting periods

No arming of teachers, increase of school counselor funding"
